Thanks George,

It looks like any time before 2pm your time (Eastern) on Tuesday or Wednesday of next week would fit our schedules. Thanks for making time to chat.

Subject: Labadie Situation

Lance,

I received your message yesterday and just haven't had the chance to call back. I'm going to suggest that we convene a call early next week such that you, Andy, Roger, and I can discuss the issues and put in a plan for resolution. With Andy just getting back in the office on Monday, I'm suspecting that Tuesday afternoon or Wednesday morning might be better times? Let me know what you think might work best, and I'll throw something on the calendar.
